

Hyperactive

The Donnas

I just am I'm never tried to be
Hyperactive, I like to get crazy
And I got friends who can keep up with me
And when we're out we like to go full speed

You and me, yeah, you and me
I'm hyperactive, I can't help myself
I'm hyperactive you should watch yourself
'Cause I'm hedonistic and I stay up all night
And I don't know what's wrong and I don't know what's right

I'm hyperactive, I can't help myself
I'm hyperactive, you should watch yourself
'Cause I'm hedonistic, know what I like to do
And, baby, I wanna play with you

It's in my genes, my triple energy
But I don't get triple morality and
I can try but I'm not promising
To keep you safe, baby, if you're with me

You and me, yeah, you and me
I'm hyperactive, I can't help myself
I'm hyperactive you should watch yourself
'Cause I'm hedonistic and I stay up all night
And I don't know what's wrong and I don't know what's right

I'm hyperactive, I can't help myself
I'm hyperactive, you should watch yourself
'Cause I'm hedonistic, know what I like to do
And, baby, I wanna play with you

It's in my genes, my triple energy
But I don't get triple morality and
And I can try but I'm not promising
To keep you safe, baby, if you're with me

You and me, yeah, you and me
I'm hyperactive, I can't help myself
I'm hyperactive, you should watch yourself
'Cause I'm hedonistic and I stay up all night
And I don't know what's wrong and I don't know what's right

I'm hyperactive, I can't help myself
I'm hyperactive, you should watch yourself
'Cause I'm hedonistic, know what I like to do
And, baby, I wanna play with you
