

I Don't Care (So There)

The Donnas

Met a shy guy from Knoxville, Tennessee
High School Yum Yum, gimme some Henessey...
I threw him a ball but he didn't hit it
Said gimme a call but he never did it...

I-I-I-I don't care, I don't care
If you don't wanna bother with me baby,
'Cause I-I-I-I don't care, I don't care
There's better guys everywhere, so there!

Never gonna say that I'm sorry I kissed him
Guess it's not my day, he turned and I missed him
I was workin' overtime, now I just wanna walk out.
I just tried to make him mine, it's not like he's a knockout.

I-I-I-I don't care, I don't care
If you don't wanna bother with me baby,
'Cause I-I-I-I don't care, I don't care
There's better guys everywhere, so there!

I-I-I-I don't care, I don't care
If you don't wanna bother with me baby,
'Cause I-I-I-I don't care, I don't care
There's better guys everywhere...
I-I-I-I don't care, I don't care
If you don't wanna bother with me baby,
'Cause I-I-I-I don't care, I don't care
There's better guys everywhere, so there!
