

# I Don't Wanna Rock'n'Roll Tonight

The Donnas

I don't want to rock 'n roll  
I don't want to rock 'n roll  
I don't want to rock 'n roll tonight  
I just want to be with him  
But he's out with her again

I don't want to rock 'n roll tonight, all right, baby  
I don't want to rock 'n roll tonight, all right  
Tonight, all right  
No no no  
Hey hey hey

I don't want to rock 'n roll  
I don't want to rock 'n roll  
I don't want to rock 'n roll tonight

My old records just won't do  
And I'm out of freshener too

I don't want to rock 'n roll tonight, all right, baby  
I don't want to rock 'n roll tonight, all right  
Tonight, all right  
No no no  
Hey hey hey

I got the radio on and I'm sitting in my room  
But rock 'n roll won't do when I want him

I don't want to rock 'n roll  
I don't want to rock 'n roll  
I don't want to rock 'n roll tonight

I just want to be with him  
But he's out with her again

I don't want to rock 'n roll tonight, all right, baby  
I don't want to rock 'n roll tonight, all right  
Tonight, all right  
Tonight  
Woah woah woah

I don't want to rock 'n roll tonight  
(I don't want to rock 'n roll tonight)
