

I Don't Want to Know

The Donnas

Hey!

I know where you live, yea
And I wanna live there too
I drive buy almost everyday, its not even really on my way
When am I gonna get to see you?

It won't be misunderstood
It won't do you any good
Think I'm not the one you could
But I know that you would

I don't wanna know if you don't want me, no
(Dont want me, no)
I dont wanna know if you dont want me, no

Hey!

I have a shirt that belongs to you
And I use it to guess all the things you do
I already met your mom and dad
Said I'm the best one you never had
And I think you should really reconsider

It won't be misunderstood
It won't do you any good
Think I'm not the one you could
But I know that you would

I don't wanna know if you don't want me, no
(Dont want me, no)
I dont wanna know if you dont want me, no

I watched you through the window last night
And I thought I saw a girl in the candlelight
You think thats fair after all I've done?
Restraining orders one by one
And I sure hope that was your sister

I guess you misunderstood
Didn't do you any good
That you thought I never could
Now you know thst I would
Now you know that I would
Now you know that I would

I don't wanna know if you don't want me, no
(Dont want me, no)
I dont wanna know if you dont want me, no
