

Is That All You've Got for Me?

The Donnas

Oh you've got lights they burn out for you
And you've got eyes, cocaine
white and blue
All you know is wine and good friends
Cos luck like yours, it never ends

Or did you think it'd last forever?

Is that it, is that all you got for me?
Just a copy of a copy
I won't let you have it for free free free

A pick me up and then you're off again
The crowd's there to see if you'll sink or swim
They laugh and cheer
when you crash and burn
But they'll be back for your big return
(they'll never learn)

Watch the smoke fade,
you finally got your space
Wander the streets, but
no one knows your face
Your senior slump, it was a flop
So give it up down to the top
