

Pass It Around

The Donnas

Well it's only Thursday and it's no one's birthday
But we're goin' out for the night
Make a few stops, avoid the traffic cops
Pick up some whiskey and some dynamite

But there's always someone
Who's gotta spoil it for the rest of the gang
You're such a little Bogart,
And I'm sorry, but you just can't hang.

Why don't you pass it around?
Don't bring the party down
If you don't pass it around,
We'll run you right outta this town!

Well it's already Friday, gonna do it my way
Everything's ready to go
But later on, all the beer is gone
Downed by some guys I don't even know!

But there's always someone
Who's gotta spoil it for the rest of the gang
You're such a little Bogart,
And I'm sorry, but you just can't hang.

Why don't you pass it around?
Don't bring the party down
If you don't pass it around,
We'll run you right outta this town!

Why don't you pass it around?
Don't bring the party down
If you don't pass it around,
We'll run you right outta this town!

PASS THAT GLASS, PASS IT AROUND!
PASS THAT GLASS, PASS IT AROUND!
PASS THAT GLASS, PASS IT AROUND!
PASS IT AROUND, DON'T BRING THE PARTY DOWN!

Saturday night, don't really wanna fight
You get none if you didn't pay
Tell your little brother to go buy another
And give me back my Tankeray

But there's always someone
Who's gotta spoil it for the rest of the gang
You're such a little Bogart,
And I'm sorry, but you just can't hang.

Why don't you pass it around?
Don't bring the party down
If you don't pass it around,
We'll run you right outta this town!

Are you pickin' up what I'm putting down??

Why don't you pass it around?
Don't bring the party down
If you don't pass it around,
We'll run you right outta this town!
