

Shake In The Action

The Donnas

I can't wait to lose it.
I'm like a time bomb ready to go.
I'm so tired and it's Saturday night,
I'm looking for an easy show.

[Chorus:]

'Cause there's a shake in the action.
I want some shake for some action, baby.
There's a shake in the action.
There's a shake in the action, baby.

They cut my brain out,
And they took it away from me.
I'm alright and it's Friday night,
And I'm so messed up on weed.

[Chorus]

Shake in the action.
Shake in the action.

(Shake) I can't wait to lose it.
(Shake) I'm like a time bomb ready to go.
(Shake) I'm so tired and it's Saturday night,
(Shake) I'm looking for an easy show.

[Chorus]
