

## Shake In The Action

The Donnas

I can't wait to lose it.  
I'm like a time bomb ready to go.  
I'm so tired and it's Saturday night,  
I'm looking for an easy show.

[Chorus:]

'Cause there's a shake in the action.  
I want some shake for some action, baby.  
There's a shake in the action.  
There's a shake in the action, baby.

They cut my brain out,  
And they took it away from me.  
I'm alright and it's Friday night,  
And I'm so messed up on weed.

[Chorus]

Shake in the action.  
Shake in the action.

(Shake) I can't wait to lose it.  
(Shake) I'm like a time bomb ready to go.  
(Shake) I'm so tired and it's Saturday night,  
(Shake) I'm looking for an easy show.

[Chorus]
