

We Don't Go

The Donnas

We don't go, everybody says so
We don't go, go back to Pescadero
We don't go, everybody says so
We don't go, go back to Pescadero
We don't go, and everybody says siyoo
Everybody says siyoo
Everybody says siyoo
Everybody says siyoo
Baby baby you're such a goner
You wanna go out but I don't wanna
You've been hanging, hanging out at Pollo's
Running round, acting like a yo yo

I don't wanna be with you tonight
So it's bye bye baby, bye bye baby
Bye bye baby, bye bye baby to you
One, two let's go
