

## Wig-Wam Bam

The Donnas

I don't want to be a bother too much,  
I just want to be the girl you want to touch.  
You make me cream in my jeans.  
I want to be the first like you never hurt,  
And make you shudder inside.

I said, wig-wam bam, I'm gonna make him my man.  
Wam bam bam, I'm gonna catch him if I can.  
Wig-wam bam, I'm gonna make him understand.  
Try a little touch, try a little too much,  
Just try a little wig-wam bam.

You can run but you can't hide.  
I just want to see all you've got inside.  
I want to do it 'til you make me scream.  
Take me by the hide, eyes open up wide,  
And make me shudder inside.

Wam bam bam-sham-a-lam  
Wig wam bam-sham-a-lam  
Wig wam bam-sham-a-lam  
Wig wam bam-sham-a-lam

I don't want to be a bother too much,  
I just want to be the girl you want to touch.  
You make me cream in my jeans.  
I want to be the first like you never hurt,  
And make you shudder inside.
