

## Adolph Hitler

### The Doors

Adolf Hitler is still alive  
Oooooogh - sssssh  
I slept with her last night  
Yeah  
Come out from behind  
That false mustache, Adolf  
I know your're in there  
Ha, ha, ha, ha, ha, ha  
You favor life  
He sides with Death  
I straddle the fence  
And my balls hurt
