

# Black Train Song

The Doors

People get ready there's a train a comin',  
You don't need a ticket,  
Climb on board.  
Train arrive  
Sixteen coaches long.  
Train arrive  
Sixteen coaches long.  
Well that mean old train,  
Took my baby,  
He's gone.

Train, train  
Coming 'round the bend.  
Train, train  
Coming 'round the bend.  
Yeah that mean old evil train  
Took my one and only friend.

Train, train  
Coming down the line.  
Train, train  
Coming down the line.  
Well that mean old rotten train  
Took the only friend of mine.

Train, train  
Coming down the track.  
Train, train  
Coming down the track.  
Yeah he took my baby  
And he never bring her back, alright.

Away, away, away,  
Away in India.  
Away, away, away,  
Away in India.

Well I woke up this morning got the crossroads on my mind,  
Well I woke up this morning got the crossroads on my mind,  
Don't know what's going to be, everything will work out fine,  
Well I woke up this morning got nothing on my mind.  
Don't know what's going to be, everything will work out fine,  
Well I woke up this morning got the H-bomb on my mind.  
Well I woke up this morning got the H-bomb on my mind.  
Everything, everything will work out fine, yeah.

Well I woke up this morning got the crossroads on my mind,  
Well I woke up this morning got the crossroads on my mind,  
Don't know what's going to be, everything, everything, everything, everythin  
g gonna work out fine.

Train, train  
Come and gone.  
Took my baby,  
Took my baby,  
Took my love  
Away...

Well I woke up this morning, yeah.  
Nothing on my mind.
