

Build Me a Woman

The Doors

Give me a witness, darling.
I need a witness, babe.
Wow, hey!
I got the poontang blues, yeah.
I got the poontang blues. Yeah.
Top of my head down
To the bottom of my cowboy shoes.
All right!

Build me a woman,
Make her ten feet tall.
You got to build me a woman,
Make her ten feet tall.
Don't make her worthless,
Don't make her, wow, small.
Right, oh, come on!

You got!
Build me a woman,
Make her ten feet tall.
Build me a woman,
Make her ten feet tall.
Don't make her worthless,
Don't make her small.
Build me someone I can ball
All night long.
