

Light my fire

The Doors

1. You know that it would be untrue
You know that I would be a liar
If I have to said to you
Girl we couldn't get much higher

R: Come on baby light my fire
Come on baby light my fire
Let's go set the night on.....Fire

2. The time to hesitate is through
No time to wallow in the mire
Try now we can only lose
And our love become a funeral pyre

R: Come on baby...

R: Come on baby light my fire...
Come on baby light my fire...
Let's go set the night on fire..
Let's go set the night on FIRE.....
