Stoned Immaculate

The Doors

I'll tell you this No eternal reward will forgive us now For wasting the dawn.

Back in those days everything was simpler and more confused One summer night, going to the pier I ran into two young girls
The blonde one was called Freedom
The dark one, Enterprise
We talked and they told me this story
Now listen to this
I'll tell you about Texas radio and the big beat
Soft driven, slow and mad

Reaching your head with the cold, sudden fury of a divine messe nger

Let me tell you about heartache and the loss of god Wandering, wandering in hopeless night
Out here in the perimeter there are no stars

Out here we is stoned Immaculate.
