

Wintertime Love

The Doors

1. Wintertime winds blow cold this season
Fallin in love I'm hopin to be
Wind is so cold, is that the reason
Keeping you warm, your hands touching me

R: Come with me, dance, my dear
Winter's so cold this year
You are so warm, my wintertime love to be

2. Wintertime winds blue and freezin
Comin from northern storms in the sea
Love has been lost, is that the reason
Trying so desperately to be free
