

# A Wonderful Surprise

## The Downtown Fiction

Wonder how we got so far?  
Do you remember who you are?  
Wanted just to make you proud  
But never thought about you

The only love I've ever had  
Is with a stranger who I never met  
Watch me in a darkened room  
Where she will never know

So if you really have to go  
There's just one thing that you should know  
When you look into my eyes  
You are a wonderful surprise

It's hard to see you face to face  
When you're so far away  
Makes me want to touch that screen  
To see where it'll take me

Wonder how we got so far?  
Do you remember who you are?  
Think of you when I'm alone  
Then you suddenly appear

So if you really have to go  
There's just one thing that you should know  
When you look into my eyes  
You are a wonderful surprise

So if you really have to say  
Oh, you just stand there and stay  
When you look into my eyes  
You are a wonderful surprise

If you let me go  
Don't let me  
If you let me go  
Don't let me  
I don't wanna go  
Don't let me go

If you let me go  
Don't let me  
If you let me go  
Don't let me go

So if you really have to go  
There's just one thing that you should know  
When you look into my eyes  
You are a wonderful surprise

So if you really have to say  
Oh, you just stand there a stay  
'Cause when you look into my eyes  
You are a wonderful surprise
