

Happy (Without You)

The Downtown Fiction

Well I don't need you
Hanging around and throwing roses at my feet
Yeah I thing that I can see through
All the ways that make me feel so incomplete

I'm always on my own
Can never be alone
But now I'm feeling good
Just like I knew I should
Movin on and on and on and on

I don't mean to cut you down
'Cause I'm happy now
Happy now without you
I don't mean to put you down
'Cause I'm happy now
Happy now without you

When I was younger
I needed someone to rely entirely
Now I'm a little older
And I'm finding out that loves no guarantee

I'll never be afraid
To leave my house again
Without your guiding hand to pull me threw the sand
Holding on and on

I don't mean to cut you down
'Cause I'm happy now
Happy now without you
I don't mean to put you down
'Cause I'm happy now
Happy now without you

And words don't make it right
I'm not coming back tonight
'Cause I'm happy now without you in my life
I'm doing fine
Happy now without you

I don't mean to put you down
Because I'm happy now

I don't mean to cut you down
'Cause I'm happy now
Happy now without you
I don't mean to put you down
'Cause I'm happy now
Happy now without you

And words don't make it right
I'm not coming back tonight
'Cause I'm happy now without you in my life
I'm doing fine
Happy now without you
