

# I Just Wanna Run

## The Downtown Fiction

I just wanna run, hide it away  
Run because they're chasing me down  
I just wanna run, throw it away  
Run before they're finding me out  
I just wanna run

I just wanna run  
I'm out here all alone  
I try to call your house  
Can't reach you on the phone

I'll gather up the nerve  
I'm packing up my bag  
It's more than you deserve  
Don't treat me like a drag

I'm feelin' like I keep on talking  
I'm repeating myself  
My words lost all meaning  
I keep talking, I repeat myself

I just wanna run, hide it away  
Run because they're chasing me down  
I just wanna run, throw it away  
Run before they're finding me out  
I just wanna run, I just wanna run

Like a game of chess  
I predict your move  
I think I know you better  
Better than you do

I'm sick of feeling cheap  
Cheated and abused  
Sick of losing sleep  
Thinking about you

I'm feelin' like I keep on talking  
I'm repeating myself  
My words lost all meaning  
I keep talking, I repeat myself

I just wanna run, hide it away  
Run because they're chasing me down  
I just wanna run, throw it away  
Run before they're finding me out  
I just wanna run, I just wanna run

I just wanna run, hide it away  
Run because they're chasing me down  
I just wanna run, throw it away  
Run before they're finding me out, out  
I just wanna run

I just wanna run, hide it away  
Run because they're chasing me down  
I just wanna run, throw it away

Run before they're finding me out  
I just wanna run, I just wanna run  
I just wanna run
