So-Called Life

The Downtown Fiction

There's a list of things you gotta do
that I don't really wanna know
Sucks, clean it up, take it out,
it makes me wanna scream and shout
Cause I wanna be responsible,
I don't wanna be dependable
There's a list of things you gotta do
that I don't really wanna know

I hate to say it but (oh-oh-oh-oh)
Now please excuse me (oh-oh-oh-oh)
I've got somewhere to be (oh-oh-oh-oh)
This might be rude, but your so-called life don't entertain me

So I'm livin' like other men,
cause you never seem to understand
Where you go, rush around,
see no-one's gonna stress you out
I don't wanna be responsible,
I don't wanna be accountable
There's a list of things you gotta do,
I don't have a thing to prove

I hate to say it but (oh-oh-oh-oh)
Now please excuse me (oh-oh-oh-oh)
I've got somewhere to be (oh-oh-oh-oh)
This might be rude, but your so-called life don't entertain me

Yeah, your so-called life don't entertain me
Yeah, your so-called life don't entertain me

(oh-oh-oh-oh)
Now please excuse me (oh-oh-oh-oh)
I've got somewhere to be (oh-oh-oh-oh)
This might be rude, but your so-called life don't entertain me
(oh-oh-oh-oh)
(oh-oh-oh-oh)
Entertain me
(oh-oh-oh-oh)
Yeah, your so-called life don't entertain me
