

Thanks For Nothing

The Downtown Fiction

I know the sun still shines when you're not around
I'm taking it easy in the worst part of town
And now i find that it wasn't meant to last
I got one thing to say and that's
Thanks for nothing kiss my ass

I want some money
I want some fame
Want everybody
To know my name
Want you to see me
In shining lights
Think about me when your with him that night

I know the sun still shines when you're not around
I'm taking it easy in the worst part of town
And now I find that it wasn't meant to last
I got one thing to say and that's
