

Choosing Up On You

The Dramatics

You've got what I like, baby
You know I'm crazy about you
Give it up so I can get it right now
Don't let me walk away without it

I'm choosing up on you, baby
You're the only one for me, it's true
I'm choosing up on you, baby

I've got many fine girls to choose from
Up and then I shall refrain
If you would only surrender your love to me, baby
Don't let me walk away in vain

Choosing up on you, baby
You're the only girl for me, it's true
I'm choosing up on you, baby
My first, last and only choice is you

I'll never make you blue
I'll always treat you right
Give all my sweet love to you, baby
Each and every night

I'm choosing up on you, baby
Give all my love to you
I'm choosing up on you, baby
Wasn't my choice, baby just you

I can get a thrill, anywhere I can get a thrill
But when it comes to satisfaction, hey baby
You're the star of the show
You're the main attraction

I'll never make you blue
I'll always treat you right, ooh, baby
Give all my sweet love to you, baby
Each and every night

I'm choosing, I'm choosing up on you, baby
You were the only one for me, it's true I won't say it again
I'm choosing up on you, girl
Wasn't my choice, baby just you

Yes, I said I'm choosing you
I said I'm choosing you
I said I'm choosing you
Well baby, it's true
