

Used to Love ya (shawty),
You used to love me (shawty),
and then you left (shawty),
quit thinkin of me (shawty),
You want me back (shawty)
I can't do that (shawty),
Get some Patron (shawty),
This night gon' be long (shawty),
I picked you up,
never put you down,
we were good together,
we looked so hood together,
and now you hate me,
lately,
what rhyme wit ass hole,
ASS HOLE!

I was the realest thing you've ever known,
I couldn't wait to say I told you so.
So forget you ever heard of me,
this is short for Florida University,

F.U. Florida University
F.U. Florida University

Acting crazy, you all crunk
Still got them pictures you sent me when you were drunk,
Its heart break, I know but calm down.
An why you still cursing me out on your Twitter account?
And why you trippin fo'?
don't you got a man?
You a little off, I hope he understands
"I'm sorry we can work it out"
"I'm sorry, you aren't in my plan"
Then again, guess what finger I'm holding up on my hand

I was the realest thing you've ever known,
I couldn't wait to say I told you so.
So forget you ever heard of me,
this is short for Florida University, (Oh yeah)

F.U. Florida University
F.U. Florida University

I hope this song is cutting like glass, girl
This ain't a compliment, you was a bad girl
You tried to break my heart but it backfired,
I'm rolling on them 24's you flattire

I was the realest thing you've ever known,
I couldn't wait to say I told you so.
So forget you ever heard of me,
this is short for Flo- Uni- Versity!, (Oh yeah)
