

Love King

The-Dream

L to the O, V to the E
K to the I, N to the G
I don't know how he treat you, how they do it where you at
But all I'm tryin' to say is you should know me like that

I'm just sayin'
(It's the R&B Killer)
I'm just sayin'
(You should know me like that)
It's the R&B Killer

The man said get my money up
Get my money up
So I went and got my money up
And now I got this money up

I'm in the H-A-W-A-I-I
Dream dropped another one, tell them niggas bye-bye
I got girls in the club, girls in the church
Pull 'em all day, I take 'em off work

Got girls in the draft, girls on my label
Girls at the bank, 'cause I'm about my paper
Got girls with weave, girls without it
She like, "This all mine", hmm, I doubt it

Girls in New York, girls in L.A.
Got girls in Miami or wherever you stay
Got girls in Chicago, girls in Toronto
Girls in Paris, go anywhere I want to go

Half to my main girl, quarter to my side chick
I be on that fly shit and you be on my shit
Your nigga keep playin', change where you layin'
I'm just sayin'

L to the O, V to the E
K to the I, N to the G
I don't know how he treat you, how they do it where you at
But all I'm tryin' to say is you should know me like that

You don't know me like that, you don't know me like that
You don't know me like that, you don't know me like
Girl, you should know me like that, you should know me like that
You should know me like that, you should know me like that

You don't know me like that, you don't know me like that
You don't know me like that, you don't know me like

Some of 'em ask a Diddy, some of 'em do whatever

Got a girl that's shy, girl that's a freak
Got a girl when I'm sick, she watch what I eat
Got a girl up in Target, a girl out of college
Sorry ladies but it ain't nothing like a smart bitch

Half to my main girl, quarter to my side chick
