

Put It Down

The-Dream

O... O... who (like old times)
Wooooo (haha)
O Whoo (can't stop what you can't see nigga yes sir...DSL)
Who (L.O.X)
Ooo Ooo (radio killer)
Ooo Whoo (the R&B thriller)
Ooo (I see yall jocking Dream now)
Ooo Ooo (I see yall rapping ass niggas)

O baby stop what you doing
And bring your little body up up in this bed
Ooo Ooo Ooo Ooo naww
Have you ever had somebody?
Do it to you while they were playing with your head
Ooo Ooo Ooo Ooo naww
You want it from the front or the back
On your side just relax
And let me lay between your legs
O O umm umm
I see you running like a track meet
With your baton saying catch me
Baby don't be scared (don't be scared)

I'm all up on you like a monster truck
I'm all up on you like shorty what's up
I'm all up on you like a white tee on a thug
If you can hear me baby put your hands up
And when they ask about me
You say (put it down [5x])
When they say
Does he make that horn go beep?
You say (put it down [5x])
Is he any good from the back?
You say Put it down Well what about this-a-way you say
Put it down
Whoo
Well if they ask you can I sing like Usher
Say No
But I could make you sing like Mariah
Ooooo
If they ask you do I dance like Chris?
Tell them No
But as much rubbing as we do I could start a fire
Hey... bring the water
We... sweating out the sheets
Shorty bring that body back to me
Shorty round after round it's going down
Call me Ali the way I'll knock your ass down

Now...

A-T-L-A-N-T-A G-A- that's where I stay
I get my motherfucking freak on like every day
If I invite you to my house it ain't just to say hi
It's like I took candy from a baby the way you crying
You're fine...you sigh ...
Never had nobody put it on your ass like that

But still put a tone and bring it right back
That's what you want I know you like that
She's on a high what you think about that
I love you girl
I loved your girl she's screaming (fuck that nigga)

And when they ask about me you say
You say (put it down [5x])
When they say
Does he make that horn go beep
You say (put it down [5x])
Is he any good from the back?
You say Put it down Well what about this way you say
Put it down [fades out]
