

# Wake Me When It's Over

The-Dream

Wake me when it's over  
Wake me when it's over

I hate it when you go  
I love to watch you leave  
I hate the way you talk to me  
I love you in them jeans  
You so disrespectful  
But damn I love your style  
But shit, you're so neglectful  
How long have you been out?  
What have you been drinking?  
What have I been doing?  
Where I was last night?  
Did you mean who I've been screwing?  
Life on the internet  
I look like a devil  
But you wearing the red dress  
Holding a shovel  
Tried to keep it hush for you, keep it on the low  
Tried to spare your feelings  
Shut the door

You knew it was over.  
I knew it was over.  
Everyone knew it was over.  
Wake me when it's over.

Yeah yeah I love the way you smell  
But you always on some bullshit  
I love how your body feels  
Why must we do this  
Stop with the excuses  
I hate procrastination  
You never had no one like me  
Well why you so complacent  
Now I'm feelin' crazy, and foolish  
I hate that I'm impatient  
Damn we look so stupid  
It was all down hill when you let them in our business  
Thought that I could save you then we died in the abyss  
Raise your hand if he was there, I I I  
Raise your hand if you care, I I I  
But I'll bite the bullet for your love  
I'll cock back and pull it for your love.

You knew it was over, I know you did  
I knew it was over, you knew I did  
Everyone knew it was over,  
So wake me when it's over.

It's so easy to throw you under that bus  
That you riding on  
It's so easy to take you off that cloud  
That you call home  
It's so easy to expose  
Those who you love the most

But it's so hard to disregard  
And keep your mouth closed  
I'll take the bullets  
You can pull it ow  
Raise your hand if you care, I I I  
Raise your hand if you were there, I I I  
Got me out here  
Takin' takin' takin' takin' takin' bullets  
Even though you knew it was over  
And I knew that it was over  
All our friends knew it was over  
Now just wake me when it's over  
Yeah yeah yeah...  
La la la la la...
