

Dear Jenny

The Dresden Dolls

Boys wear overcoats in heat like this to keep themselves from s
howing
Girls fill out prescriptions for the tricks that keep their hea
rts from growing
Specialists review the year in tears and call for drastic measu
res
Send them to resorts for boys and girl to get their wits togeth
er

Sad but true the facts of life are bound to get you down
So whats the use dear jenny anyway the world is pretty...

Ashley talks to astronauts back home by way of fax transmission
Andy gets a new tattoo each time his pastor comes to visit
Weary o so drealiy we wave our flags into the camera
Amber goes the hotlines are friends but no-one ever answers

Sad but true the truth can turn your smile to a frown
So whats the use dear jenny anyway the world is pretty
Upside-down...

The rates are better in the summer
Looks like dear jenny's doing better...

Back at home the broadcast warning bounces off of an empty tabl
e
Jenny asks the astronauts to sleep with her behind the stable
Christmas hasn't been the same since dad put in the central hea
ting
Checks you before bedtime with a battery to keep your new heart
beating

And the world might turn a million times around before
They tell you jenny anyway the world is pretty world is pretty
happy world is pretty happy

Sometimes they let strangers in and other times they check thei
r records
When they check out in the morning dad puts out the lie detecto
rs
Jenny prays to gods she've never heard of for a special hurting
All the walls stay dead as jennys head is
But shes still observing

Sad but true the two of us might really make it through
But whats the use dear jenny anyway
The world is happy
World is happy

World is happy without you...

The rates are better in the summer....

Looks like old jennys doing better...
