

# Modern Moonlight

The Dresden Dolls

Presenting modern moonlight just as advertised  
Coke and pepsi finally found a compromise  
How can they complain that we're all fucked up kids  
When they keep on changing who our mother is?

Like it all you want it's fruitless  
Night is in the way of progress

Retinas are bleeding for the enterprise  
Surgically wired into paradise  
Yesterday I dropped in at the MKB  
Everyone was messaging like it was going out of style  
(it was just the cynic in me)  
God, I love communicating!  
I just hate the shit we're missing...

Everybody join in the magnificence  
Yes! everything is absolutely making sense:  
Every time you turn around your soul gets sold  
To the highest bidder  
Then they turn around and merger and they merger  
And the merger and they murder and they murder  
The one who murders most will take it all...

Fight it all you want it's useless  
Night is in the way of progress

We're gonna take your cities one by one  
Catch your cables cut your cords and spoil all your fun  
We're gonna make your life a living hell  
Cause stripped of your equipment you'll be forced to face yours  
elf...

Wire cutters of the world  
You know what to use it for  
Spread the word to all the tightrope walker boys and girls  
Brace yourself for miracles  
You're in for a nasty shock  
When the war is over  
You can read the paper
