

# Chains of Love

The Drifters

The chains of love are the kind  
That bind me to you and you to me  
The chains of love are not made of steel  
But something deep inside that I feel

Oh, I, oh, I don't want to be free  
Baby, make a prisoner out of me  
With your  
(Chains of love)

Keep on drawing me closer  
(Chains of love)  
Don't turn me loose  
(Chains of love)

Now, that's life, baby  
Just a little bit tighter  
Just a little bit tighter

The chains of love are the kind  
That I can't see  
You've got the lock, I've got the key  
But the key's no good to me

Whoa, and I said that I  
Oh, I don't want to be free  
Baby, make a prisoner out of me  
With your  
(Chains of love)

Keep on drawing me closer  
(Chains of love)  
Don't turn me loose  
(Chains of love)

Now, that's life, baby  
(Chains of love)  
Just a little bit tighter, baby

Whoa, and I said that I  
Oh, I don't want to be free  
Baby, make a prisoner out of me  
With your  
(Chains of love)

Keep on drawing me closer  
(Chains of love)  
Don't turn me loose  
(Chains of love)

Now, that's life, baby  
(Chains of love)  
Just a little bit tighter  
Tighter, baby  
And I like it, ooh, just a wee bit tighter
