

# Come On Over to My Place

The Drifters

Little girl, you look so lonesome  
I see you are feeling blue  
Ain't no use in staying in home  
I know what you should do

Come on over to my place  
Hey, girl, we're having a party  
We'll be swinging, dancing and singing  
Baby, come on over tonight

Now you don't need the address  
To find out where we'll be  
Cause you can't help hearing the music  
Halfway down the street

So, baby, come on over to my place  
Come on, we're having a party  
We'll be swinging, dancing and singing  
Baby, come on over tonight

When we get tired of dancing  
And things start to getting slow  
That's the real best part of the evening  
To turn the lights down low

So, baby, baby  
Come on over to my place  
Hey, girl, we're having a party  
We'll be swinging, dancing and singing  
Baby, come on over tonight

Yeah, yeah, yeah, yeah  
Come on over to my place  
Hey, you, we're having a party  
We'll be swinging, dancing and singing  
Oh, baby, won't you come on over tonight

Yeah, yeah, yeah, yeah  
Come on over to my place  
Hey, you, we're having a party  
We'll be swinging, dancing and singing  
Oh, baby, won't you come on over tonight

Yeah, yeah, yeah, yeah  
Come on over to my place
