Dance with Me

The Drifters

Dance with me Oh hold me closer, closer and closer Much closer while the music plays My little darlin' Won't you dance with me? Oh hold me tighter, tighter and tighter Much tighter while the rhythm sways Hmm put your lips to mine While the music blends We're no longer strangers Now we're more than friends so Dance with me Dance with me closer, closer and closer And maybe we'll be lovers when the music ends Dance with me closer, closer and closer And maybe we'll be lovers when the music ends Darlin' won't you please, oh? Darlin' won't you please, oh? Darlin' won't you please? Oh yeah? Oh oh oh
