

Such a Night

The Drifters

It was a night ooh what a night
It was really was such a night
The moon was bright ooh how bright
It was really was such a night
The night was alight with stars above
Ooh when she kissed me I had to fall in love

Oh it was a kiss ooh what a kiss
It was really was such a kiss
How she could kiss ooh what a kiss
It was really was such a kiss
Just the thought of her lips sets me afire
I reminisce and I'm filled with desire

I'd gave my heart to her in sweet surrender
How well I remember, I'll always remember

Ooh that night ooh what a night
It was really was such a night
Came the dawn and my heart and her love
And the night were gone
But I know I'll never forget her kiss in the moonlight
Ooh such a kiss, ooh ooh such a night

I'd gave my heart to her in sweet surrender
How well I remember, I'll always remember

Ooh that night ooh what a night
It was really was such a night
Came the dawn and my heart and her love
And the night were gone
But I know I'll never forget her kiss in the moonlight
Ooh such a kiss, ooh ooh such a night

Now she's gone, gone, gone
Yes she's gone, gone, gone
Came the dawn, dawn, dawn
And the light was gone
And my heart was gone
And her love was gone
And before that dawn
Such a night
