

# This Magic Moment

The Drifters

This magic moment  
So different and so new  
But like any other  
Until I kissed you

And then it happened  
It took me by surprise  
I knew that you felt it too  
By the look in your eyes

Sweeter than wine  
Softer than the summer night  
Everything I want I have  
Whenever I hold you tight

This magic moment  
While your lips are close to mine  
Will last forever  
Forever till the end of time

Sweeter than wine  
Softer than the summer night  
Everything I want I have  
Whenever I hold you tight

This magic moment  
While your lips are close to mine  
Will last forever  
Forever till the end of time

Magic moment...
