

## Best Friend

### The Drums

You are my best friend, but then you died  
When I was 23 and you were 25  
You are my best friend, but then you died  
And how will I survive, survive, survive, survive?  
Oh, how will I survive, survive, survive, survive?

And every day I waited for you  
And every day on the top of your car  
Every day I waited for you  
And every day on the hood of your car  
Ah ah-ah, ah ah-ah  
Ah ah-ah, ah hah-ah-ah-ah  
Ah ah-ah, ah ah-ah  
Ah ah-ah, ah hah-ah-ah-ah

Oh, oh-oh  
Oh-oh, oh-oh-oh  
Oh-oh, oh-oh-oh  
Oh-oh, oh-oh-oh

I had a dream of you, you were drifting away  
You were sad and the ocean dripped away  
And I know you're gonna be okay  
'Cause I can see it in your eyes, your eyes, your eyes, your eyes  
And I know I'm gonna survive, survive, survive, survive

And every day I waited for you  
And every day on the top of your car  
Every day I waited for you  
And every day on the hood of your car  
Ah ah-ah, ah ah-ah  
Ah ah-ah, ah hah-ah-ah-ah  
Ah ah-ah, ah ah-ah  
Ah ah-ah, ah hah-ah-ah-ah

Oh, oh-oh  
Oh-oh, oh-oh-oh  
Oh-oh, oh-oh-oh  
Oh-oh, oh-oh-oh

And every day I waited for you  
And every day on the top of your car  
Every day I waited for you  
And every day on the hood of your car  
Ah ah-ah, ah ah-ah  
Ah ah-ah, ah hah-ah-ah-ah  
Ah ah-ah, ah ah-ah  
Ah ah-ah, ah hah-ah-ah-ah  
Ah ah-ah, ah ah-ah  
Ah ah-ah, ah hah-ah-ah-ah  
Ah ah-ah, ah ah-ah  
Ah ah-ah, ah hah-ah-ah-ah
