

Kiss Me Again

The Drums

I cannot complain today
Because I'm around you
And I cannot look the other way
Because I love you

And its hard to admit
That deep in my cold heart
There's a voice that screams out
And its screaming

Give it to me, give it to me
Give it to me, give it to me
Give it to me, give it to me
Give it to me, give it to me
Ooh ahh
Kiss me again, kiss me again
Kiss me again, kiss me again
Ooh ahh
Kiss me again, kiss me again
Kiss me again, kiss me again

Blissful ignorance
Let me sink into it for a while
Like a child
Let me feel like a child

And its hard not to be ashamed
But deep in my cold heart
There's a voice that screams out
And its screamin'

Give it to me, give it to me
Give it to me, give it to me
Give it to me, give it to me
Give it to me, give it to me
Ooh ahh
Kiss me again, kiss me again
Kiss me again, kiss me again
Ooh ahh
Kiss me again, kiss me again
Kiss me again, kiss me again

I never want to go
I want to stay right here
I wanna be here so long
I wanna be here so long
I wanna be here so long
I wanna be here so long
I wanna be here so long
I wanna be here so long
I wanna be here so long
I wanna be here so long

Ooh ahh
Kiss me again, kiss me again
Kiss me again, kiss me again
Ooh ahh

Kiss me again, kiss me again
Kiss me again, kiss me again
