

# What You Were

## The Drums

They said  
You were a mystery  
I know  
You can't fool me

But still I cave in  
I gave you my heart  
I cave in  
I gave you my heart

Well hang on, hang on  
I know you don't think I know  
Well hold on, hold on  
But I know but I know but I know

I always knew what you were  
I always knew what you were

You came along  
You came along  
I got into your car  
You came along  
I knew I was wrong  
I knew I would die

But still I cave in  
I gave you my heart  
I cave in  
I knew I would die

Well hang on, hang on  
I know you don't think I know  
Well hold on, hold on  
But I know but I know but I know

I always knew what you were  
I always knew what you were

Well hang on, hang on  
I know you don't think I know  
Well hold on, hold on  
But I know but I know but I know

I always knew what you were  
I always knew what you were
