

Boston, USA
Here she comes now over the skyline
I'm Home again, i'm feeling fine
There's the River Charles and Kenmore Square
I don't want to go anywhere
There's another show, get in the van
To another town to do it all over again
I can't wait to get back Home
To the city streets where I come from
To the Dirty Water of Boston, USA
It's 3 AM and I'm still not done
I could walk these streets till i hit the dawn
You don't know what you've got till it's gone
I know this is where I belong
It looks like it's still early, get some beer
Let's catch the Green Line down to Kenmore Square
Can you tell me where they put the Rat?
To those memories i still look back
To the Dirty Water of Boston, USA
It was a summer night by the Mass Ave Bridge
When i gave that girl a little kiss
She said "I don't think i can see you no more"
I said "If that's the case then I'll carry on
Because the city streets are all there is for me"
Friends come and go but these will always be
I'll take the C-town, Cambridge, all the rest
But i wont take no second best
To the Dirty Water of Boston, USA
