

## Bodies

The Duke Spirit

They're close, they gave you a hand  
And the seasons to tell time apart  
You hate, you won't or you will  
I carve my way through, carve my way through  
I only want your life

Ooh money, ooh bodies  
Ooh money, ooh bodies

The morning it breaks, makes you cry  
The sun stares you down, knows you like  
Pure light, pure blue for you  
Hold out your hand, you hold out your hand  
And then we can hold the few

Ooh money, ooh bodies  
Ooh money, ooh bodies

You seem to  
Oh oh oh  
You seem to  
Uh uh uh

Ooh money, ooh bodies  
Ooh money, ooh bodies  
Ooh money, ooh bodies  
Ooh money, ooh bodies
