

Love Is An Unfamiliar Name

The Duke Spirit

Love is an unfamiliar name
Present and future, I'm gonna find you
I'm ready for silence and the heat
What have you got?
Limited value on my stuff
Rising and falling, yeah I'm gonna cut loose
Love is an unfamiliar name
What have you got?

Love is an unfamiliar name!
I keep on trying to reach you but you're never the same
I'm ready for silence and the heat
But I'm tired and worn and it wont let me sleep

So caught up in my lone communion
Will you get this honey?
I'm for sticking

Forever remember who you are
Present and future, I'm gonna love you
Steady the minus and the plus
What do you need?
This limited value on my stuff
Falling and rising, I'm gonna cut loose
Love is an unfamiliar name
What have you got?

Love is an unfamiliar name!
I keep on trying to reach you but you're never the same
I'm ready for silence and the heat
But I'm tired and worn and it wont let me sleep

So caught up in my lone communion
Will you get this honey?
I'm for sticking

Ooh ooh, ooh ooh
Ooh ooh, ooh ooh
Ooh ooh, ooh ooh,
Uhhuhhhh
etc.

So caught up in my lone communion
Will you get this honey?
I'm for sticking
