

Tomorrow

The Durutti Column

All I wanted was your time
All you ever gave me was tomorrow
All I wanted was your time
All you ever gave me was tomorrow
And tomorrow never comes
Tomorrow never comes
Tomorrow never comes
Tomorrow never comes
People stood in a line with flowers
They were only waiting for the moment
And I know the feeling so well
I've been waiting for you for so long
And I know the feeling so well
I've been waiting for you for so long
