

Break The Pact

The Duskfall

Do not pity me, this useless being.
Do not save me, this frail being, infant in size.
So I broke the pact again and in so many different ways,
I chose to quit this act. On the very last of my days.

You long to cling to my soul, I'm not going anywhere,
I'll leave you alone, you end this ride.
This sure was a bond of souls, I'm not going anywhere,
I'll search for the whole, it's your turn to end this ride.

Don't you fear, do not compare,
All we feel - the life we have in here.
Can't you see, you are burning me.
All I feel is the time that's passing me.

Share your needle, share that disease,
Share your pain with me, let it flow through me.
Never forgive me, never forget.
Time stands still or so it seems,
I deserve this all, I know I deserve this fall.

You long to cling to my soul, I'm not going anywhere,
I'll leave you alone, you end this ride.
This sure was a bond of souls, I'm not going anywhere,
I'll search for the whole, it's your turn to end this ride.

Don't you fear, do not compare,
All we feel - the life we have in here.
Can't you see, you are burning me.
All I feel is the time that's passing me, and everyone knows ev
