

## A Little More Time

The Early November

I know my timing's bad  
So I'm forcing up an, an apologetic smile  
And just being myself  
I've gone and made my own disguise  
I was never good at talking  
But the preps are so fantastic

Wait for me here, I'll find a home  
Making a midst of the perfect 90's radio song

To chalk this up to spite  
And although I wasted time  
I need some more of it  
I though I'd I'll yell a little  
To show my hometown I'm alive  
And the sea of fenders  
I find my only life

Wait for me here, I'll find a home  
Making a midst of the perfect 90's radio song  
Wait for me here, I'll find a home  
Making a midst of the perfect 90's radio song

Da da da...la da da...la da da

Wait for me here, I'll find a home  
Making a midst of the perfect 90's radio song  
Wait for me here, I'll find a home  
Making a midst of the perfect 90's radio song
