

## I Think This Is Love

The Early November

I think this is love  
And the question will be my next move.  
Think it's a good one,  
Probably better than my last few.  
I'm just a little scared,  
A little unprepared.  
And I hope luck is on my side,  
But if all goes to my plan,  
I'll prove everyone wrong.
