

## Session 05

### The Early November

So what was it like for Dean?

(Well he kept to himself most of the time. He watched a lot of TV. He wasn't like umm...)

Wait I got it. He didn't have many friends. And his mom and dad slash grandma and grandpa always were just a little too tired to wanna play. So when he was around kids, he would just sit in the corner and occupy himself. Because that's all he knew how to do. I mean how would he know any different.

(Wow, that's uh, pretty good.)

Yeah, I can relate.

(Well sadly, awhile after his 12th birthday. His grandmother suddenly got sick.)

And that's how...

(And that's how.)
