

The Truth Is

The Early November

The truth is you know I'm having a moment right now
Where everything makes sense.
Well, I think some feeling from this sliding, smooth guitar would
shred right now.
And all those nights I lost by thinking way too hard and long,
I finally realize just by adding some deep bend, I feel alright
.

The truth is, you know we could never find a better friend to work
with.
You make us feel at home.
It would make me so happy right now to hear some piano being played
by my oldest friend.
And all those nights I lost by thinking way too hard and long,
I finally realize that I need some drums cracking, and I feel fine.

The truth is, my love, that I love you so much that it hurts, oh.
And as cheesy as I sound I've been practicing for the moment when I do,
oh I do.
And all those nights I lost by thinking way too hard and long,
I finally realize as long as I have you, I'll be alright.

The truth is, you know, I'd be nothing without everyone, oh.
