

Heaven And Hell

The Easybeats

Hell Is Knowing That Your Face Hase Gone Red
Discovering Someone Else In Your Bed
Baby Baby
This Kind Of Love's Bringing Down This Man

You Got Me Goin' Between Heaven And Hell
The Ups And Downs Of You Got Me So I Could Stand Up And
Yell
You Do Me Wrong But I Know You
Still There's No Disputing That You're Out Of Sight

Hell Is Drowning In The Sea Of Despair
The World Goes By
But I'm Not Aware
Baby Baby
This Kind Of Love's Bringing Down This Man

You Got Me Goin' Between Heaven and Hell
The Ups And Downs Of You Got Me So I Could Stand Up And
Yell
You Do Me Wrong But I Know You
Still There's No Disputing That You're Out Of Sight

Heaven Is In Your Eyes The Moment You Realise
I'll Soon Be Free Free For You
Oooh

You Got Me Goin' Between Heaven and Hell
The Ups And Downs Of You Got Me So I Could Stand Up And
Yell
You Do Me Wrong But I Know You
Still There's No Disputing That You're Out Of Sight
