

Hello How Are You

The Easybeats

The neon lights shine on the cars
And people rushing by
Through the fog in the chill of the night
And the rain comes pouring down
And suddenly I see her face
Coming through the crowd

Hello, how are you
It's good to see you here
Though you're late
I just wait like before
Hello, how are you
And ah, you're looking grand
With the way-ay you'll look evermore

The water-filled hole in my shoe
And the lonesome dollar in my hand
If I'd to stand here forever I'd stand
And the rain comes pouring down

Hello, how are you
It's good to see you here
Though you're late
I just wait like before
(Do you come in love or hate)
Hello, how are you
And ah, you're looking grand
(ohohohohohoh)
With the way that you'll look evermore
(do you, do you)

Hello, how are you
It's good to see you here
(ohohohohohoh)
Though you're late
I just wait like before
