

Land Of Make Believe

The Easybeats

In the land of make believe you are all mine
In the land of make believe I'm doin' fine
Makin' believe you are here with me, makin' believe

In the grass by my mind's flowing river
Tumblin' of the waters through my head
Ah, makin' believe, you are here with me, makin'
Believe, makin' believe

I hear bells and children playin'
I feel love and birds are singin'
Ba Ba Ba Ba Ba Ba Ba Ba

In the land of make believe you are all mine
In the land of make believe I'm doin' fine

Makin' believe you are here with me
Makin' believe

Here you and me make believe
Make believe the world isn't what we see
Ba Ba Ba Ba

Hey things ain't what they seem
Now come into my dreams
And make believe with me

Ah, here you and me make believe
Make believe the world isn't what we see
Ba Ba Ba Ba

Hey things ain't what they seem
Now come into my dreams and make believe with me
