

Sorry

The Easybeats

Mailman came this morning
Brought a message by
Said it was from my babe
Think I know just why

Sorry, sorry, sorry, sorry
That I didn't go last night

Had a date at seven
With a girl named Fleur
Then I just remembered
Had a date with her

Sorry, sorry, sorry, sorry
That I didn't go last night - yah!

Mailman came this morning
Brought a message by
Said it was from my babe
Think I know just why

Sorry, sorry, sorry, sorry
That I didn't go last night
Didn't go last night
Didn't go last night

Yah yah yah yah yah yah yah
