

## Ceremony

## The Echoing Green

This is why events unnerve me  
They find it all, a different story  
Notice whom for wheels are turning  
Turn again and turn towards this time  
All she ask's the strength to hold me  
Then again the same old story  
World will travel, oh so quickly  
Travel first and lean towards this time

Oh, I'll break them down, no mercy shown,  
Heaven knows, it's got to be this time,  
Watching her, these things she said,  
The times she cried,  
Too frail to wake this time.

Oh I'll break them down, no mercy shown  
Heaven knows, it's got to be this time,  
Avenues all lined with trees,  
Picture me and then you start watching,  
Watching forever, forever,  
Watching love grow, forever,  
Letting me know, forever.
